

Douglas Rae Fellows

 dfellows.rf.gd/resume

My name is Douglas Rae Fellows. I am a self taught full stack software engineer. I was born at Haywood County Hospital, Waynesville, North Carolina, USA, Sunday, June 30, 1957. I would like to work for you. I am a Southern Baptist Democrat.

In 68 I had a private tour of the United States White House. In 69 I used my first computer. In 75 I wrote Fortran at the University of Maryland, College Park where I majored in Chemistry, my favorite class was Calculus, and I received an A for an architectural drawing I did of the United States Capitol. For the next 17 years I owned my own business, started teaching myself to become a full stack software engineer and refurbished computers for donation to a school for children in Croatia. From 92 to 07 I ushered at the National Presbyterian Church, Washington, DC, whose members / attendees included President of United States Dwight D. Eisenhower, Chief Justice of the United States Supreme Court Warren E. Burger, whose funeral service I ushered, Senator John Glenn, Secretary of State Condoleezza Rice, my parents Dr. and Mrs. J. Beverly Fellows, who are interred there, and my wife Colleen Flynn just to name a few. In 2007 I followed my parents to Missouri and cared for them till their death in 2009. Mom was to live two months. She lived four. She died the first time I missed eating a meal with her. For the next ~10 years I concluded teaching myself how to become a full stack software engineer and worked for AJ Ellis 417-327-3911 M-F 10-5 DST, a property manager, buying parts and supplies, doing repairs, remodeling houses and designing and developing his website. I created all the content and wrote all the code.

Qualifications

- I am not over qualified for this job.
- When they write the next Bible I can keep the hotel industry from getting a black eye for another 2000 years.
- Self-taught full-stack software engineer.
- I bought my first car in 75. I have owned and driven a car every year since. I've owned three cars.
- I have a clean driving record.
- I will pass every test.

- I can operate, maintain and repair:
automobiles, chainsaws, line trimmers, paint sprayers and small hand tools.
- On a personal note:
 - I received my second dose of Moderna's Covid-19 vaccine April 15th, 2021.
 - I enjoy professional golf and ice hockey. Lawrence Kasdan is the best director of American Western's of my generation.
